## Group Discussion Activity

### OBJECTIVES OF GROUP DISCUSSION

- 1 To exchange ideas, opinions, and information on a given topic.
- 2 To assess communication skills, confidence, and clarity of thought.
- 3 To evaluate leadership, teamwork, and interpersonal skills.
- 4 To understand different perspectives and reach a common understanding or solution.

### OUTCOMES OF GROUP DISCUSSION

- 1 Better understanding of the topic through shared viewpoints.
- 2 Improvement in speaking, listening, and reasoning skills.
- 3 Development of teamwork and collaborative decision-making.
- 4 Identification of strengths such as leadership, persuasion, and analytical ability.
- 5 Enhanced confidence and ability to express ideas logically.

### CONCLUSION OF GROUP DISCUSSION

A group discussion is an effective platform for sharing knowledge, improving communication skills, and developing a broader perspective on a subject. It promotes teamwork, mutual respect, and critical thinking. Through constructive interaction, participants gain confidence and learn to express their ideas clearly while respecting others' opinions, making group discussion an essential tool for academic and professional growth.
